Introducción

INDALUM S.A. de C.V. fundada en 1978, pertenece al Grupo Industrial LM., es una empresa fabricante de perfiles y tubos de aluminio para diferentes usos, entre ellos el arquitectónico, enfocado a los fabricantes de puertas, ventanas, fachadas integrales y otras aplicaciones en la industria de la construcción. Contamos con un extenso surtido con la más alta calidad en diversos acabados que cubren las necesidades del sector.

Industrias donde participamos:

- Carrocera
- Línea blanca
- Mueblera
- Transporte
- Comunicaciones
- Agrícola
- Marítima
- Entre otras

Reiteramos nuestro compromiso como parte del GRUPO INDUSTRIAL LM con la más alta calidad, el tiempo de entrega, el servicio y como nuestro propósito fundamental, la plena y absoluta satisfacción de nuestros clientes.

Somos parte de

División Aluminio

El Grupo Industrial LM fue fundado en 1964 y cuenta con más de 50 años de experiencia en el mercado. Se destaca por su acelerado crecimiento y se ha consolidado en los mercados nacionales y de exportación en las áreas de perfiles y tubos de acero, extrusiones de aluminio, conductores eléctricos y láminas de acero, gracias a la calidad y disponibilidad de sus productos.

Nuestros Procesos

El horno de fundición, vaciado y formado de lingotes cilíndricos para extrusión.

Grandes inventarios de materia prima para asegurar la orden perfecta.

Modernas prensas de extrusión de aluminio operadas automáticamente con pullers robotizados.

Líneas de pintado con sistemas más recientes y avanzados de pre-tratamiento y pintura electrostática continua.

Planta de anodizado totalmente automatizada para garantizar confianza en la calidad de nuestros productos.

La excelente calidad y grandes inventarios de producto nos permiten otorgar un servicio inigualable.
